Elecciones en Lanolinas

Each Party (N or P) shuffles its Candidate cards and draw 4 names.

Nominate Candidate President and one Candidate per Constituency.

Draw 4 Electoral cards, assign face down to Constituencies.

The Ecards and votes are valid in specific Constituencies only. Apply the Candidate **Note**.

The Poll starts and the ECards are revealed, starting from the First Constituency. The **Special Ability** of the Presidents is usable.

The exchange of one Ecard is with a revealed adverse one at Candidate choose!

In each Constituency each Party calculates how many votes got, the most elect its Candidate at the Parliament. If draw, unassigned.

The party with the most elected Candidates elects its Candidate President as President of the Presidential Republic of Lanolinas.

The President's Party can retain one card for the new Elecion; one Candidate (kept to be used as Candidate President or Constituency Candidate) or one Ecard. Win: 3 Eleciones won on 5.
